

# Exploring USDA Community Connect Fund Eligibility

June 24, 2013

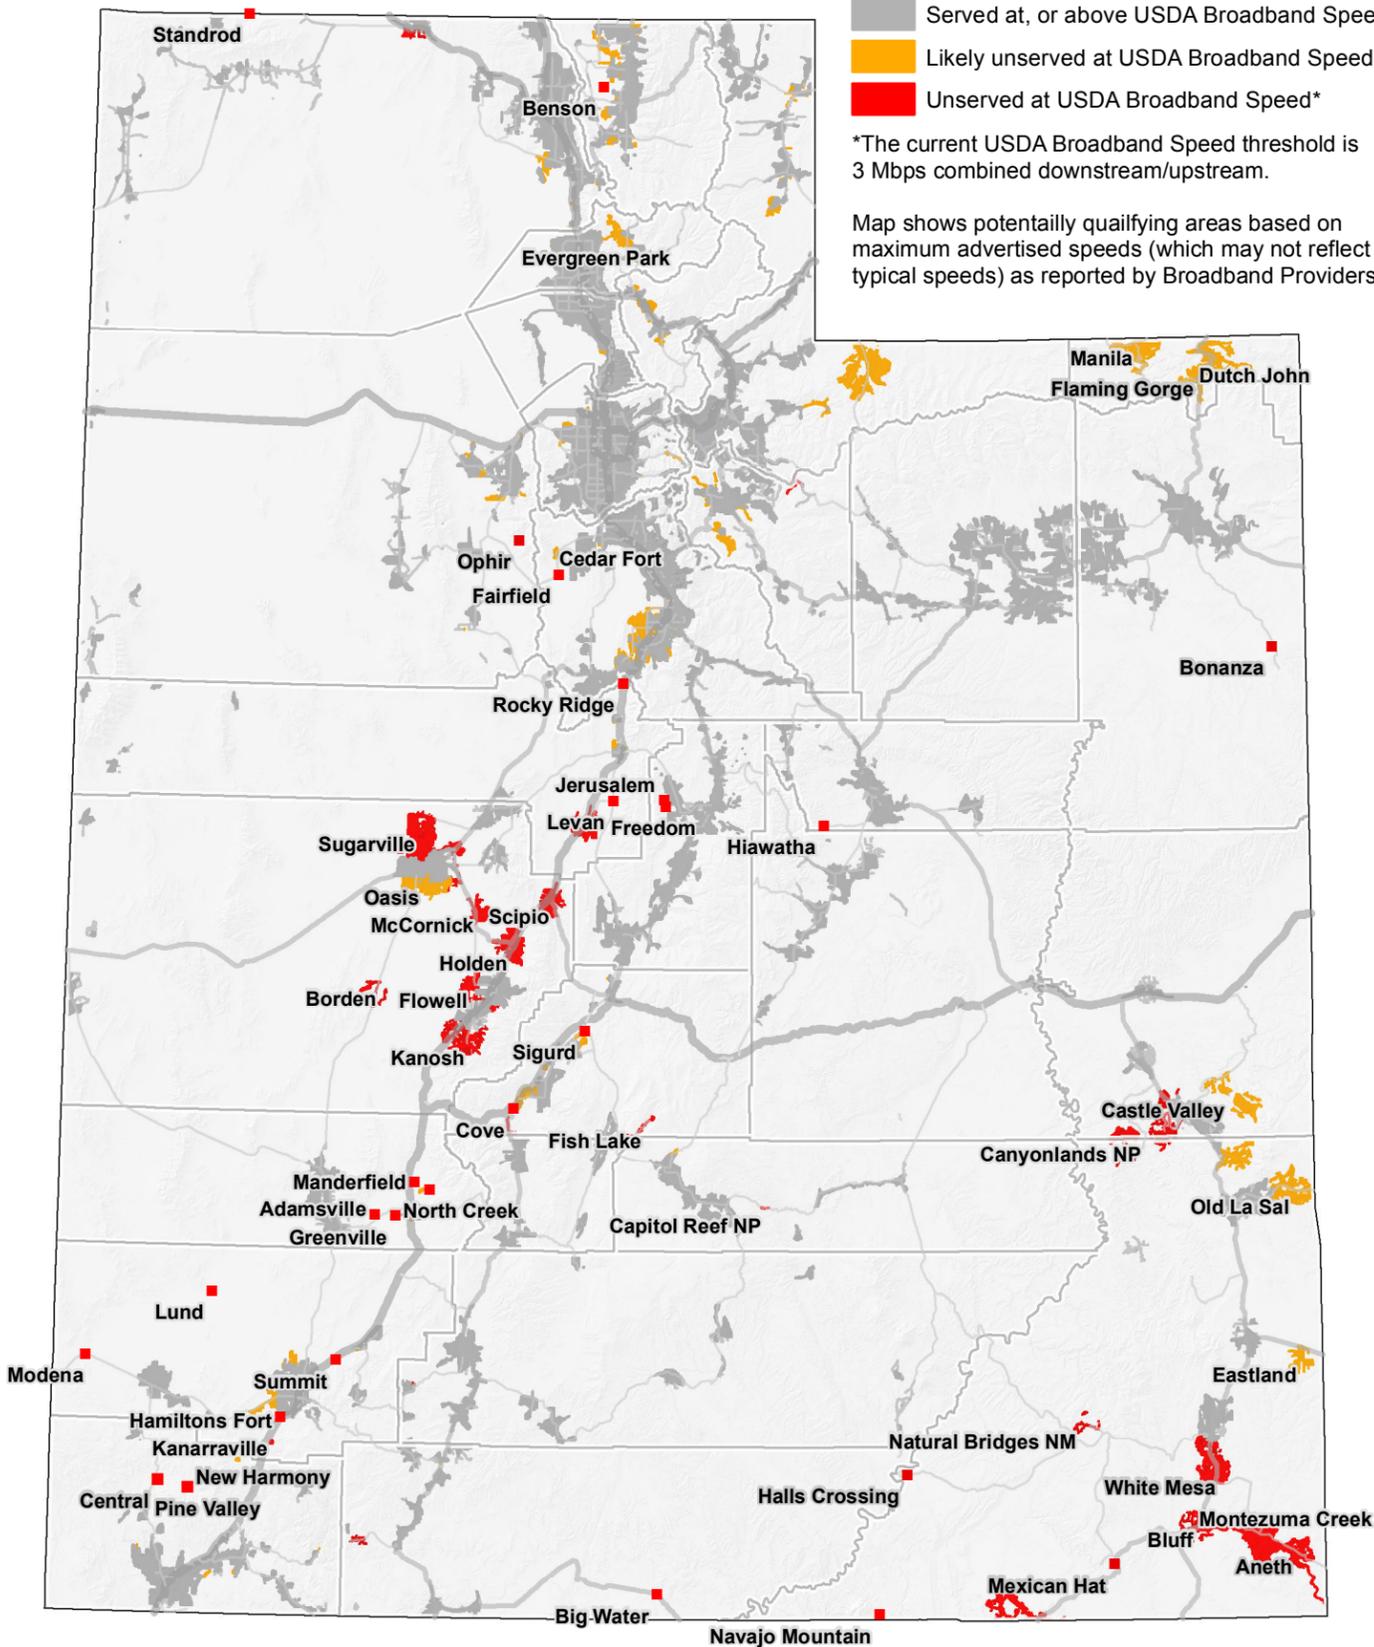

## Wireline

### Legend

- Served at, or above USDA Broadband Speed\*
- Likely unserved at USDA Broadband Speed\*
- Unserved at USDA Broadband Speed\*

\*The current USDA Broadband Speed threshold is 3 Mbps combined downstream/upstream.

Map shows potentially qualifying areas based on maximum advertised speeds (which may not reflect typical speeds) as reported by Broadband Providers..

## Wireless (excludes satellite)

### Legend

- Served at, or above USDA Broadband Speed\*
- Likely unserved at USDA Broadband Speed\*
- Unserved at USDA Broadband Speed\*

\*The current USDA Broadband Speed threshold is 3 Mbps combined downstream/upstream.

Map shows potentially qualifying areas based on max advertised speeds (which may not reflect typical speeds) as reported by Broadband Providers. Wireless speeds are highly dependent on sight lines between tower & end user.
